

### Introduction

GKN Aerospace Transparency Systems has long been a leader in the manufacture and repair of commercial aircraft transparencies. From facilities in both the US and the UK, GKN ATS produces cockpit windows for many types of commercial transport aircraft, including the Boeing 747, 757, 767, DC-9/MD-80, DC-10/MD-11 and all Airbus narrow body and wide body aircraft. Our windows are known throughout the industry for their excellent quality and exceptional service life.

GKN ATS is approved by Airbus Industrie to supply windshields for the A300/A310 series of wide body aircraft. GKN ATS thermal tempered “Ten-Twenty” glass windshield offers greater durability, and is the preferred choice for high reliability.

### Features

- *Designed and installed as original equipment, GKN ATS OE windshields and subsequent spares have proven to be the most reliable A300/A310 windshield flying in the worldwide fleet.*
- *Greater temper case depth gives “Ten-Twenty” glass added durability and makes it the most damage resistant glass available.*
- *Proven seal design offers superior protection against moisture ingress and reduces the risk of delamination, electrical system failure, and premature window removal.*
- *GKN Aerospace Transparency Systems’ 3 year warranty (see back for details)*

## 1. GENERAL WARRANTY

Seller warrants that at the time of delivery the articles furnished hereunder will be free from defects in material and workmanship and will conform to the drawings and specifications. Except for latent defects, all articles furnished hereunder shall be deemed to be finally accepted by Buyer unless Seller receives notice of rejection within a reasonable time but no later than 90 days after the receipt of articles by Buyer. As to latent defects, Buyer may reject articles within three years after date of shipment. If Seller elects to repair or replace a defective or non-conforming article, Seller's warranty for said article shall be limited to the unused portion of the original warranty. ***THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF.***

## 2. WARRANTY PROVISION

There shall be no Continuing Warranty by Seller for defects attributable in whole or in part to normal wear and tear or to factors beyond Seller's control, including but not limited to Buyer's design, failure of Buyer or its customers to properly preserve, store, install, operate, or maintain parts made by Seller or the end item in which parts are installed. Seller also denies liability for any failure or deterioration of parts attributable to extended storage under conditions of excessive temperature or humidity, or for any malfunction or design deficiency occurring in other systems or installations that would in turn affect the performance of the part. Seller further denies liability for performance of parts under the Continuing Warranty provision where abnormal environmental and/or operating conditions are encountered by the aircraft (or Buyer's end item).

## 3. SELLER'S LIABILITY

Seller's liability for defective or nonconforming articles is limited to the repair or replacement with surface freight shipping charges in the Continental United States to be paid by Seller, or refund of the purchase price as Seller may elect. Defective or nonconforming articles shall not be returned to Seller without Seller's prior written permission. Under no circumstances shall Seller be obligated for consequential, incidental or other damages, losses or expenses in connection with or by reason of any breach. Seller's liability hereunder shall in any event be limited to the purchase price of the articles. The remedies expressed are exclusive. Claims for defective or nonconforming articles shall be in writing and submitted within the period specified in the General Warranty.
