

Cage Code No. 86175

GKN Aerospace Transparency Systems has been a leader in Aircraft Transparencies for over 60 years. We manufacture all products to meet and exceed the high performance standards required to support United States Government operating aircraft. Our state of the art design and development of acrylic and polycarbonate technology, enhance pilot safety and operational performance. Some of these features include:

- Superior Optics
- Interior and exterior protective coatings
- Bird Impact resistance up to 600 Knots
- Framing and Refurbishment

GKN ATS' durable glass and acrylic cockpit windows with de-ice / de-fog capability ensure superior visibility and safety of flight.
