## *TRANSPARENCIES*

---

**G**KN Aerospace Transparency Systems recognizes the need to establish and maintain excellent performance standards for the support of Airlines operating aircraft with GKN ATS windows. At all times, we cooperate with the Aircraft manufacturer and the Airline customer to ensure compliance with such performance standards. Our support covers all activities related to service, training, data and spares, to ensure that the Aircraft manufacturer and the Airline customer will be able to economically operate, use and maintain our products. We believe that widespread availability backed by full AOG capability provides the best possible support to operators. Our windows are available on a world-wide basis from spares- support stores.
